Youth Shot, Shell Barely Misses GC Woman Motorist

Douglas Horton, 14, son of Roland Horton, 4210 Kirkpatrick Homes, was wounded in the abdomen, and a bullet barely missing the head of a passing motorist at about 2 p.m. Thursday on Highway 162 east of rail crossing near Granite City.

Sheriff's deputies said that Horton and three other youths were target practicing with a .22 caliber rifle and a bullet ricocheted from a rock. The youth was admitted to St. Elizabeth Hospital where x-rays were taken of the pelvis.

Mrs. Betty Mayfield, 2401 Madison avenue, reported that she "felt" a bullet whiz "a hair breadth" from her head as she was headed east. It entered from the right front lowered window of a truck driving the left rear window.

She stopped before going to a nearby restaurant to file a report with police. Another motorist in front of her, believing his auto had been struck, also stopped.

There have been reports from the neighborhood that youths in that area were firing a passing auto on occasion since the end of the school term.

EXTENSIVE DAMAGE TO HOME is inspected by Levi Smith, 510 Main street, Venice, in doorway at right, after tow truck struck his home, plunging into the living room. A member of the household was sleeping on a couch, the end of which is visible in the doorway, but was uninjured.

For Storm Water Ditch

GC Council Balks at Swap Of August St. for Easement

A proposal for exchange of August street (between East 23rd street and Edwardsville road) for property needed for storm water drainage ditches failed to gain council approval Friday night.

The council, meeting in an adjourned session, decided to renegotiate with Granite City Steel Co. to get the needed right-of-way along East 23rd street, Nameoki road and Edwardsville road to construct the new ditch which will empty into the levee ditch at Edwardsville road.

An outline of the swap proposal was made by Randall Robertson, attorney for the city. He said Granite City Steel would be giving up 9.9 acres of valuable industrial property in exchange for the right-of-way which contains 3.3 acres.

Street Divides Property He pointed out that Granite City Steel did not want to sell the property and in no way wanted to dispose of it, but would comply with the city's wishes to provide the needed land for the bond issue drainage ditch in exchange for the roadway which now divides Granite City Steel Co. property.

The lawyer added that the closing of August street through the firm's property would be of value to Granite City Steel in the event of future expansion.

He pointed out the right-of-way wanted by the city on the south side of East 23rd street is from 18 feet in width at Bromley avenue to 35 feet wide at Nameoki road and along Nameoki road to Edwardsville road.

On the south side of Edwardsville road from Nameoki road to the levee ditch, the width would be 80 to 85 feet. Plans are for the ditch to be paved and fenced on both sides. Also required is relocation along a portion of the tract of a Mississippi River Fuel Corp. gas line which serves the mill and the city. This is estimated to cost \$90,000 to \$120,000.

"You can see," the lawyer added, "the steel mill is giving up quite a bit... and will be paying one-third of the cost of the drainage system under the bond issue."

Notes Use of Street First to object to closing the section of August street was Second Ward Alderman Whitmer, who said it is used extensively by residents of East

Granite City. He said the city had not received before June 20 for a July letting, the project will be delayed until the state highway division's August letting.

Mayor Lee told the council members that "if the letting is pushed off until August, work would not get underway until late fall about the time bad weather sets in."

He said at the same time that (Continued on page 21, col. 4)

New Delay Looms in Underpass Project

NYC Has Not Finished Agreements; May Miss July Contract Letting

Possibility of still another delay in a call for bids on construction of the Broadway underpass in Venice—the second in 30 days—was reported Friday night.

The Venice city council authorized Mayor John E. Lee to advise the Illinois Commerce Commission of the delay.

Mayor Lee told the council that continued delay by the New York Central Railroad, which is involved in construction of the underpass and relocation of Broadway in Venice.

These agencies, in addition to the state and the city of Venice, include the Gulf, Mobile & Ohio, Norfolk & Western and New York Central railroads, all of which will have lines crossing the top of the underpass structure.

Agreements Delayed Agreements were signed by all agencies except the New York Central before May 1.

Officials of NYC did not get the agreements back to the state in time for the May bid call, requiring highway officials to reschedule the underpass bid call with a deadline of June 20, which would permit a contract award about July 13.

Mayor Lee said Friday night that Edward Juneau of Shepard, Morgan & Schwaab, consulting engineer for the city of Venice, discussed the status of the contract letting recently with Edwin Altes, assistant district engineer in the Illinois highway office at French Village.

In a report to the mayor and city council, Juneau said that Altes told him "that to date the state is still waiting for a signed agreement with the Penn-Central (NYC)."

"He further advised that all agreement revisions as requested by Penn-Central have been made and satisfied and that the signed agreement should be received in a short time."

Next Letting in August Juneau reported that Altes pointed out that if the agreement is not received before June 20 for a July letting, the project will be delayed until the state highway division's August letting.

Mayor Lee told the council members that "if the letting is pushed off until August, work would not get underway until late fall about the time bad weather sets in."

Truck Hits Car, Smashes House

A tow truck driven by Walter L. Kruse, Pine Lawn, Mo., went out of control on Main street, Venice, at 11 p.m. Friday, striking a parked car and knocking it into a parked pickup truck.

The Kruse vehicle then crashed into the front of a house occupied by Mr. and Mrs. Levi Smith, 510 Main street.

The truck crashed into the living room of the house, where it barely missed a couch on which Mrs. Ruth McCurdy, a sister of Mrs. Smith, was sleeping. She was uninjured.

Police said that when they arrived at the scene they found Kruse at the Show Boat tavern, 400 Main street, where he at first told them his truck had been stolen. Witnesses, however, said he left the truck after the mishap. Kruse was charged with destruction of property.

He was released on \$50 cash bond pending a magistrate hearing, but the tow truck, which was parked in front of his home.

Police said both the parked car and truck damaged in the accident are owned by Ronald Kiskadee, 302 Main street. The vehicles were parked in front of his home.

Heavy Primary Vote Expected; Registration Up

Democratic Contests, Levee Board Race May Spur Voting Tomorrow

Quad-City and Madison county voters will go to the polls tomorrow in what is expected to be one of the heaviest primary elections in the area in 20 years to ballot for party candidates at national, state, district and county levels.

Democratic and Republican voters will nominate their own candidates for U.S. Senator, Illinois governor and five other state offices, congressman and other district posts, along with candidates for five offices in the county government.

Polling places in the 54 precincts of the Quad-Cities and Madison county will remain open from 6 a.m. to 6 p.m. tomorrow.

In the Quad-City area, voters will ballot in 32 precincts in Granite City, 11 precincts in Venice township, seven in Nameoki township and four in Chouteau township. (Two Chouteau precincts are in the Roxana area.)

To Tabulate Results Miss Eulalia Hotz, Madison county clerk, said her office will be open all day tomorrow during the weekend. Balloting results will be tabulated by her office at ballot counting is completed in the individual precincts by election clerks and judges and reported to the election bureau in the county clerk's office at the courthouse in Edwardsville.

Official ballots, registration books and other election materials were delivered to precinct judges by the county clerk's office in the last week. The deadline for absentee balloting by persons who will be out of the area tomorrow passed at noon Saturday. Miss Hotz's office remained open until the noon deadline to accommodate last-minute applicants.

Predictions of a heavier-than-usual vote in tomorrow's election are based on intense interest in the April-May registration drive conducted by the county clerk's office, in which 3861 new registrations were added to registration rolls of Madison county. Of this number, approximately 1500 new registrations are those of voters in the Quad-City area.

The registration drive, which ended May 13, resulted in a new official voter registration list of 29,994 for the county, with 34,379 of them in the four townships of the Quad-City area.

When Gas Can Explodes James Ladd, 31, son of Newton Ladd, Rural Route Two, was admitted to St. Elizabeth Hospital with first and second degree burns to his face and both arms after a gallon can of gasoline he was carrying apparently exploded while he was walking out Route 3 north of Granite City.

Four youths extinguished his burning clothing and assisted him in getting to the hospital, according to sheriff's deputies. They said he had obtained the gasoline for a lawn power mower.

MORE ABOUT Heavy Primary

only 45% of the registered voters in the Quad-Cities cast ballots, including 11,758 Democrats and 190 Republicans. Oddly enough this was a sizeable decline in the vote cast by Democrats in the "off-year" primary of 1962 when 14,360 Democrats balloted in Quad-City polling places.

The 1964 vote by Republicans, however, was double the 1962 Republican primary count, when only 690 GOP voters cast ballots in the Quad-Cities.

County-wide balloting in the 1964 primary showed a total of 25,363 Democratic votes cast, a drop of 13,068 votes below the total cast in the county in the 1962 primary.

Republicans Improved
 Republicans, on the other hand, cast 11,773 votes in the county during the 1964 presidential primary, an increase of 5724 votes over the total of 6049 cast in the county in 1962.

Voters gave three contests on the Democratic ballot at the county level and four others at the district level, while Republican candidates for county offices have no opposition whatever and thus will win nomination. Candidates nominated on each of the two party tickets will oppose one another for the particular office they seek in the general elections next Nov. 5.

Neither do the Republicans have any contests in the district races for national convention delegates, alternate delegates or members of the representative committee. Candidates for these offices are elected rather

than nominated in the primary balloting.

Headlining contests on the Democratic side of the ballot is the race for nomination—and election—of two state representatives of the 55th District which is made up of Granite City, Nameoki, Venice, Chouteau, Wood River and Alton townships.

Eight in Race
 Eight candidates in the representative race because of announcement earlier this year by incumbent State Rep. Lloyd "Curly" Harris of Granite City, a veterans legislator, that he would not seek re-election this year. The announcement threw the representative race wide open for area candidates.

The candidates include the one remaining incumbent representative, Leland J. Kennedy of Alton. Other candidates include two members of the county board of supervisors, Harry A. Briggs of Nameoki township, and Robert Ford of Wood River township; two Granite City attorneys, Horace Calver and Terry J. Francis; James E. Walker, a steel com-

pany employee; David P. Crivello, an SIU senior student, and Sam P. Drenovac, a farmer of the Mitchell area.

Since the number of state representatives to be nominated and elected, as designated before the primary, is tantamount to election since they have no opposition for the November general election.

Rep. Smith Re-Elected
 The same situation holds true in the Republican primary, but there is no opposition there to incumbent State Rep. Ralph T. Smith, now speaker of the Illinois House. Only one Republican representative is to be nominated and elected this year. Since he has no opposition, Rep. Smith already is elected even before the primary balloting begins.

Contests for Democratic nominations at county level in-

clude candidates for the state's attorney's office, the county coroner's post and two memberships on the five-man board of the East Side Levee and Sanitary district.

In the levee district primary, three candidates are nominated in St. Clair county and two in Madison county on each party ticket. The race in the November election.

Griffith Unopposed
 Only Republican candidate is R. W. Griffith Jr., Alton attorney and a native Granite Cityan. He has no opposition and therefore will be the GOP candidate in the November election.

A three-way battle for nomination as coroner on the Democratic ticket involves the candidates of incumbent coroner Leonard R. Davis, Granite City funeral director and former fourth mayor of Granite City; Dr. Edward Mulvill, Alton physician; and T. J. Burke, Alton funeral director.

Davis also is serving his present term by appointment, having been named by a one-vote margin by the county board of supervisors in June 1967. Both Burke and Dr. Mulvill were contenders for the appointment by the county board. Burke formerly served 12 years as a deputy coroner under Dr. W. W. Billings of Alton whose retirement last year was followed by Davis' appointment.

Burke sought election as coroner on two previous occasions, but was defeated both times. Dr. Billings has been supporting Burke in his primary campaign.

Seeks Coroner Post
 Candidate for nomination as coroner on the Republican ticket is Robert G. Thomas of Granite City, also a funeral director. He has no opposition.

Democratic candidates for these other county offices are running without opposition. All are incumbents. They are James F. Chapman of Collinsville, county recorder of deeds; Willard "Butch" Portell of Granite City, circuit clerk; and John Kraynak, also of Granite City, county auditor.

Republican candidates for these offices also are running without opposition. They include Pete E. Fuchs of Alton, Dr. David E. Jones of Granite City, for circuit clerk, and Charles W. "Bill" Burns, operator at a Granite City restaurant, for recorder of deeds.

In the primary for nomination of a congressman of the 24th Congressional District, incumbent Cong. Melvin Price of East St. Louis is unopposed, as is the Republican candidate, John Guthrie of O'Fallon. Price is seeking re-election to his 12th consecutive two-year term. Guthrie, a building contractor,

miteeman and a close associate of the Maers arm of the Madison-Venice Democratic organization.

The other three candidates for representative committee-men include Edward D. Voudard sr. of Alton; Ralph L. Elliott of Granite City; and James Lavelle, of Alton.

In the balloting for county offices, voters will decide between incumbent state's attorney Leon Scroggins of Granite City, and Wendell Durr, an Edwardsville attorney, for nomination to the state's attorney's office. Scroggins presently is serving by appointment, taking office in January 1967, following his appointment by the county board of supervisors to succeed Joseph Bartyrak, who resigned. Both Durr and Scroggins have been conducting active campaigns throughout the county.

While William G. Clark, incumbent Illinois attorney general, is unopposed for the Democratic nomination as U. S. Senator, incumbent Republican Senator Everett M. Dirksen of Pekin is opposed in his bid for renomination by Roy C. Johnson of Calumet Park.

In the Illinois governor election, incumbent Samuel Shapiro is unopposed on the Democratic ticket, but four candidates are in the race in the Republican side. They include Richard B. Ogilvie of Northfield, now chairman of the Cook county board of commissioners; John H. Atorfer, Peoria industrialist; Thomas Sutton of Wayne; and William G. Stratton of Chicago, former governor.

Unopposed State Candidates
 Incumbent Democratic State Auditor Michael J. Howlett is unopposed for re-election.

Republicans also have a three-way race for nomination of state auditor. Candidates are Terrill E. Clarke of Western Springs, William C. Harris of Pontiac and Weale W. "Wes" Olson of Quincy.

Incumbent Democratic State Auditor Michael J. Howlett is unopposed for re-election.

Have Field Field
 Neither party has a contest for the attorney general post. Francis S. Lorenz, now director of the Illinois Department of Public Works is the Democratic candidate. William J. Scott of Evanston is the GOP candidate.

In the nomination of a candidate as clerk of the Supreme Court, Miss Fannie G. Jones of St. Louis is the only Democratic candidate. Miss Jones, a school teacher for 22 years, is the only Negro ever to run for a major state office.

The Republicans offer three candidates for the clerkship—Louise Emerson of Chicago, Mrs. Earle Benjamin Searcy, the incumbent of Springfield, and Justin Taft, Rochester.

Voters in the Quad-Cities and the rest of the county also will elect precinct committeemen for their precinct on both parties. A list of candidates for precinct committee posts is published elsewhere in this issue of the Press-Record.

ran two years ago and was defeated at that time by Price.

24th District Area
 The 24th Congressional District is made up of all of St. Clair county and Granite City, Nameoki, Venice, Chouteau, Wood River, Collinsville, Edwardsville, Fort Russell, Pin Oak, Jarvis and St. Jacob townships of Madison county.

Democratic candidates for state offices and for U. S. Senator are without opposition down the entire ticket. In contrast to the district and county elections, the Republicans have opposition for five of the seven state and national offices subject to election.

While William G. Clark, incumbent Illinois attorney general, is unopposed for the Democratic nomination as U. S. Senator, incumbent Republican Senator Everett M. Dirksen of Pekin is opposed in his bid for renomination by Roy C. Johnson of Calumet Park.

In the Illinois governor election, incumbent Samuel Shapiro is unopposed on the Democratic ticket, but four candidates are in the race in the Republican side. They include Richard B. Miss Sarah Baumberger Bride of J. L. Carstens

Candlelight illuminated the sanctuary of St. Paul's United Church of Christ, Belleville, for the wedding Saturday evening of Miss Sarah E. Baumberger and James L. Carstens.

The bride is the daughter of Mr. and Mrs. Charles E. Baumberger, 1601 Lindell blvd. The groom is the son of Mrs. Eleanor Carstens, 430 South Wesley avenue, Oak Park, Ill., and Leonard Carstens, 315 Laurel avenue, Wilmette, Ill.

Rev. Laurel Eichenlaub officiated at the 8 p.m. double-ring ceremony before an altar decorated with urns of yellow flowers.

Mr. Baumberger escorted his daughter down the aisle and gave her in marriage.

She selected a floor-length gown of peau d'ange lace retrimmed with roses over satin, designed in a cage effect with a slightly rounded neckline. Long traditional sleeves ended at the wrists in points. A white satin bow emphasized the Empire waistline and rose motifs on the bodice were traced with tiny seed pearls.

A waltz train of peau d'ange lace, attached at the shoulders with a satin bow, fell gently into a cathedral train scalloped at the edges. Delicate scallops were repeated around the hemline of the bridal gown.

A white satin pillow hat held in place a triple-tiered, shoulder-length bouffant veil of imported silk illusion. She carried a colonial bouquet of white roses with touches of yellow and green.

Mr. Eugene Dickey, sister of the bride, was her matron of honor and Miss Judy Carstens, the groom's sister, was bridesmaid.

They wore identical full-length gowns of light yellow linen. Fashioned as an A-line, they had added fullness in the back of the gown. Tiny bows secured their short nosegay veils in a matching shade of yellow.

Their flowers were colonial arrangements of yellow roses and daisies with green edging and long streamers.

The groom selected Donald E. Bevenour, a classmate from Galesburg, Ill., to serve as best man and David Marko of Springfield, Ill., as groomsmen. Ushers were Roger Mueller, Belleville, Keith Stone, Morton, Ill., and Jerry Pitz, River Forest, Ill.

Mrs. Baumberger wore for her daughter's wedding a coat and dress ensemble in aqua blue textured silk with matching accessories.

The groom's mother was attired in a beige dress and accessories in a matching shade. Both wore yellow orchid corsages.

Wedding guests were entertained at an evening reception given at the Bel Aire in Belleville immediately following the ceremony.

Rallies Yield Narrow Inter-City Victories

The Granite City Steel Credit Union baseball team won its first Inter-City League game Sunday afternoon since the season opener at Wilson Park April 21, scoring four runs in the top of the ninth inning to win at East Alton, 4-2.

Newly acquired shortstop Bob Karandjic's single and double along with two hits by Pat Harris and strong pitching by Harris, a righthander, gave Credit Union the edge.

The rally included a walk to Nick Petrello, hits by Larry Harmon and Harris to load the bases, an RBI-single by Barry Sykes, a walk to Karandjic to tie the score, a run-scoring hit by Jim Cromer and a passed ball.

Bob Blackledge, the losing pitcher, struck out 14 and had complete control of the game until the eighth inning, when Credit Union loaded the bases but failed to score.

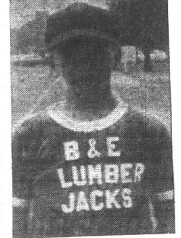

Harris pitched seven innings, allowing five hits, and was in trouble only in the fourth, when East Alton scored two runs. Larry Jones relieved in the eighth and pitched a scoreless inning with Harris temporarily moving to third.

Harris returned to the mound in the ninth to set down the side in order.

The Mercer team was able to slip out of a losing streak and down first-place Peoria 4-3 at Wilson Park. Peoria Manual 1968 State Baseball Champ

Peoria Manual high school won the state baseball championship by defeating Rockford Guilford 9-3 Friday at Peoria.

Finishing their season with the 25-3 won-lost record, the Rams became the fourth team to win three official state baseball titles, having also won in 1959 and 1963 and finished second last year. Belleville, Cicero Morton and Maywood Proviso are the other triple winners.

Close Finish At Speedway

Races were held at Tri City Speedway Friday evening in the best weather conditions for the last six weeks, Butch Welch, track director, reports.

"We couldn't have had a better turnout and they couldn't have seen better races. They were standing and cheering in every heat."

In the feature, Jerry Camfield, Robert Hibbard, Jerry Blomd and Roy Carry were close enough that any one could have won.

Going into the last turn before getting the checkered flag, Camfield, Hibbard, took the turn too high and slid sideways for a short time. Hibbard beat him to the flag by two feet.

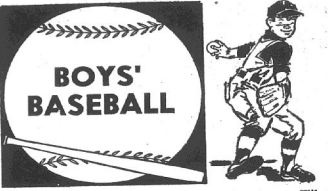

Camfield was second, Blomd third, Carry fourth, John Parady fifth and Ollie Runyon sixth.

In the semi-final, Bill Meyers of Granite City was first, Charles Botten second, Bud Pauley third, Bob Bouchanan fourth, Mel Weigel fifth and Dick Durant sixth.

Earl Sanders won the handicapped race, and heats were taken by Hibbard, Runyon and Meyers.

Barney Jones, 27, Rural Route One, Brighton, injured when his racing car overturned off the track, was released after treatment at St. Elizabeth Hospital.

He suffered cuts and bruises to both shins and reported pains in the back, neck and both legs.

Granite City Park League Games are played at 6 p.m.; Wilson Park; Madison-Venice Khoury League at 6 p.m.; Nameoki-Pontoon Little League at 6 p.m.; Mitchell Khoury League at 5:45 p.m. at the Athletic field. Game times apply to Monday through Friday; Saturday times will be indicated.

Miss Granite City Contestants Rehearsing

Lovely and talented Linda Sabo, the reigning Miss Granite City, will preside over crowning of the new Miss Granite City at the close of the local Miss America preliminary contests about 10 p.m. Saturday. It was announced today by Richard Domitrovich, general chairman of the Jaycee-sponsored beauty pageant.

The annual quest for the most attractive, poised and talented young woman to represent the local community in the Miss Illinois contest will begin at 8 p.m. Saturday in the auditorium of Granite City high school.

The pageant is open to the public and tickets costing \$1 for adults and 50 cents for children may be obtained in advance from Jaycee members, the contestants or at the door on the evening of the show.

Local residents will be granted a preview glimpse of the eight lovely and accomplished candidates when they ride in a convertible parade through central business districts and suburban shopping areas at 6 p.m. Friday, escorted by a retinue of Jaycees headed by Bill Hayes as parade marshal.

Another preliminary event

the actual contest is a judges' tea, set for 4 p.m. Saturday at the Rose Bowl restaurant with contestants informally interviewed by the panel of judges.

July, September Events
Identity of those comprising the panel is not disclosed prior to the contest. Their task will not be an easy one, as each of the candidates is considered qualified to succeed Miss Sabo as the local representative in the state pageant at Aurora July 15-20.

The pageant itself is a preview of the glamour and excitement, and also the discommodities, as contestants climb the star-studded ladder toward the Miss America crown, awarded at the national finals in Atlantic City, N. J., in September.

Miss Granite City will receive a \$150 scholarship from the Pepsi Cola Bottling Co. of Alton, a set of matching luggage, clothing items, perfume and gift certificates, together with other gifts from sponsors and friends.

Domitrovich today announced that eight local business firms have agreed to act as patrons for the candidates.

Entrants are Misses Leeta Marmion, Bobbi Lee Marcus, Pam Scizglak, Maybell Lee and Vicki Lynn Duncan, all 18 years of age, and Misses Colleen Robertson, Karen Randall and Cynthia Settlemoir, each 19 years old.

Basis for Judging
Talent usually accrues the

greatest accumulation of points for a candidate. Poise and beauty in the evening gown segment of the contest and appearance in a swimming suit make up the remaining points toward success.

This year, the local judges will base their decision in four categories—talent, swimwear, formal wear and appearance and personality displayed at the judges' tea. Candidates will be rated on a five-point scale, with the first place winner in each segment receiving five points and the last, one point.

To enhance their appearance and talent presentations, the contestants have been rehearsing at the Jaycee hall, and will continue to practice their routines informally until the dress rehearsal, set for Thursday evening.

The girls are being assisted in correct techniques of walking and posture, makeup and general deportment, adding to their already considerable charms.

Painting Theme Chosen
The 1968 pageant here has as its theme "Caricatures of Beauty."

Attention will be focused on each candidate as she is introduced on stage and posed in the center of a large, ornate picture frame, with the background changing to conform to her presentation, Domitrovich explained.

Earl Parsons will preside as master-of-ceremonies and background music is to be furnished by Mrs. Ethel Hanel at the organ.

Dwelling, Business Permits Recommended

The Madison County Zoning Board of Appeals announced Saturday that it will recommend approval of a petition by Everett G. and Josephine Price Steele, owners, for a special use permit in Nameoki township, with the background changing to conform to her presentation, Domitrovich explained.

The board stipulated that the sewage disposal systems be not less than twice the minimum standards required for a single-family residence in that area. The appeals group also recommends favorable action on a request by John Harvey Vatterott and Norman Mann, owners, and J. M. Henderson, purchaser, to rezone a tract of Nameoki township land from R-4 single-family residence district to B-3 highway business district.

The board approves granting authority to Donald L. and Wanda M. Hall, owners, to place a mobile home in an R-3 one-family residence district in Chouteau township.

Madison Offers Reward For Vandal's Identity

The city of Madison offered a "reasonable reward" Friday for information leading to identification of persons responsible for extensive damage to the rear rooms of the city playgrounds at 12th street and Greenwood avenue and at Third street and Highland avenue.

Ernest E. Veihl Jr., chairman of the recognition banquet which will honor Sternberg following his installation June 20 as president of Optimist International, advised Granite City Optimists at their meeting Thursday noon that reservations for the affair are rapidly being received.

Seating accommodation is limited to approximately 300 persons, he noted, with reservations being accepted on a first-come, first-served basis, prior to Friday, June 21. Tickets may be obtained by calling Howard Colquitt at the Tri-Cities Chamber of Commerce—876-6400, or John D. Solenberg at the United Fund office—877-6780.

Veihl said Boy Scouts planning to attend may make reservations through the local Boy Scout office today and tomorrow, or by calling the above telephone numbers after Tuesday.

Sternberg, a local contractor and former alderman, is a past president of the Granite City Optimist Club and president-elect of the Optimist International. Among his numerous civic achievements, he has served as president of the Cahokia Mount Boy Scout Council and Regional Explorer chairman and received the Silver Beaver and Silver Antelope awards for outstanding contribution to the Boy Scout program.

Dinner Speaker

Also active in the Boy Scout organization and a lifetime member of the Optimist Club, Dr. Haggal currently serves as member-at-large on the National Boy Scout Council. He is a member of the executive committee, Region VI, Boy Scouts of America—covering North and South Carolina, Georgia, Florida and the Canal Zone. In 1966 he was awarded the Silver Antelope Award.

A resident of High Point, N.C., the speaker is regarded as a minister who can communicate with both teenage rebels and nonconformist gray-suited businessmen. He addresses more than 300 business conventions each year, Veihl said.

Dr. Haggal comes from a family of ministers. His father has been pastor of a church in Birmingham, N. Y., for 22 consecutive years; his brother, John Edmund Haggal of Atlanta, is an evangelist. Born in Kalamazoo, Mich.,

DR. TOM HAGGAL
Dinner Speaker

The 36-year-old pastor spent his early formative years in Pennsylvania, and at the age of nine, moved with his family to Boston, where he preached his first sermon while only 12 years of age.

Dr. Haggal was graduated from North Greenville Junior College, where he studied his studies at Furman University, Greenville, S. C., majoring in political science and history. His first pastorate was in Rock Hill, S. C.

Doubles Membership
During his stay there, the church's membership doubled, with an addition of 800 new members. In 1956, he became pastor of Emerywood Baptist Church in High Point, N. C., where in seven years, membership rocketed from 38 to 700.

In 1963, a group of 120 business and professional leaders from a broad spectrum of American commerce, formed Tom Haggal and Associates Foundation, a non-profit foundation, its purpose to further Dr. Haggal's basic message of "Patriotism through Religion."

Under the trusteeship of Wachovia Bank and Trust Co., the foundation underwrites Dr. Haggal's addresses to youth groups, high schools, colleges and universities. The foundation also provides scholarships for young men planning careers in Scouting. YMC, YNHA, Boys Clubs and city recreation.

A precedent was set some time ago, when the Methodist High Point College honored the guest speaker with a Doctorate of Divinity degree. In June, he received a Doctor of Humane degree from Salem College, Salem, W. Va.

Dr. Haggal's civic involvements also include Board of Trustees of the American Humane Foundation and membership in the Rotary Club. In other business at their regular Thursday noon meeting in the YMCA, Optimists members observed a moment of silence in memory of the late Senator Robert F. Kennedy.

Dr. Raymond E. Troyer presided and appointed Carl Reach and Arthur D. Roseman as official delegates to the Optimist International convention, scheduled to take place June 19-20, at Louisville, Ky. Guests welcomed at the luncheon, included Russell Ford, Harry Wood and Calvin Bartels, new assistant principal at Coolidge junior high school.

Wilbur Thies, program chairman, showed a film strip, entitled "Help Yourself," which outlined procedures for self-employed businessmen to set aside non-taxable income for retirement benefits through insurance programs, purchase of U. S. Treasury retirement bonds and custodial accounts at banking institutions.

Released by Metropolitan Life Insurance Co., the film explained that funds accrued for retirement purposes under the Keogh Act are subject to income tax when used. Twenty-five attended the meeting.

An out-of-town wedding of interest here was that Saturday in Carthage, Mo., of Miss Emily Allen Raydon, a daughter of Mr. and Mrs. Merle M. Raydon of Carthage and Richard W. Hahn, whose parents are Mr. and Mrs. Milford Hahn, 2321 Angela drive.

The candlelight ceremony took place at 7:30 o'clock in the evening at the Church of God with the Rev. H. G. Earl officiating. Lighted candles in silver candelabra, together with baskets of yellow 'mums and greenery, provided the setting for the double ring service.

Given in marriage by her father, the bride wore a gown of silk organza over a peau de soie sheath, featuring an A-line waist. It was fashioned with a sabrina neckline, short sleeves and a panel of re-embroidered Alencon lace and seed pearls. A chapel train outlined in lace was secured at the bodice back. The bride's tiered bouffant veil, floor-length, was of silk illusion. It was secured with a crown of lace petals and pearls.

The bride's bouquet was a cascade of yellow carnations. Mrs. Becky Goedecke, a cousin of the bride, was matron of honor. Misses Nancy Schmidt of St. Louis, and Pam Ellison were bridesmaids. They wore gowns of yellow crepe with tulle necklines, short sleeves and Empire waists. Detachable trains of lace over crepe were attached at the shoulders, falling the length of the gowns. Headpieces were lace caps with short full veils held in place with flat bows. They carried bouquets of yellow carnations.

The Appliques of lace marked the Empire bodice, edged the sleeves and were repeated at the hemline of the gown. A detachable court train falling gracefully from the shoulders was enhanced by a back yoke of lace. A matching lace bow held the bride's tiered illusion veil and she carried a cascade bouquet of white roses and variegated ivy centered with a rose corsage.

St. Louis Man Dies On Depot Golf Course

Howard P. Vie, 55, of 7038 Claremore drive, Normandy, St. Louis county, was pronounced dead upon arrival at 12:45 p.m. yesterday at St. Elizabeth's Hospital where he was taken after collapsing while playing golf at the Granite City Army Depot course.

Efforts to revive him with a resuscitation unit, manned by GCAD fire service personnel, were unsuccessful. Madison County Coroner Leonard R. Davis said today results of an autopsy showed that Mr. Vie had succumbed to a primary coronary occlusion.

Mr. Vie, who was employed by Wagner Electric Co., St. Louis, leaves his wife, Mrs. Helen (Higgins) Vie, one daughter, Mrs. Janet Adams; two brothers, Lester J. and Harold W. Vie; one sister, Mrs. Evelyn Worley, and grandchildren.

Funeral mass will be held at 9 a.m. tomorrow at Ascension Church in Normandy.

Campaign Attack Based On County Food Sales

Terry Francis, Granite City attorney and a candidate for state representative of the 55th district, has leveled a new attack against Harry Briggs, Nameoki township supervisor and also a candidate for the Democratic representative nomination, because Briggs works for a firm doing business with three Madison county institutions.

Francis criticized Briggs because as a member of the county board of supervisors he approves county purchases from Edray Foods, Inc., of Granite City. Edray sells food, janitorial supplies and other items to the county jail, courthouse and nursing home.

Briggs described the charge as "ridiculous" and pointed out Edray Foods has been selling to the county for many years while he has been employed there for the past year. Briggs said he has nothing to do with the sales to the county, receives no commission from them and that his job is selling to restaurants.

Sanitary sewer tap-on applications are being accepted from North Granite area residents with the exception of those on the line along Nameoki drive from North 27th street and on the line along Circle drive between Nameoki drive and Sinclair avenue, it was announced today by Mayor Parney.

About 120 homes are involved, and the tap-ons will be permitted when the sewer line passes a home. The tap-on permits are available at the comptroller's office on the second floor of the city hall. The charge for the permit is \$45, which may be paid as a lump sum or \$12.50 a month.

Electric Heating Use Increases, IPC Reports

Growing use of electric heating for new homes and newly remodeled homes was reported today by Illinois Power Co. which said more than 90 individual living units already have installed electric heating this year and more than 500 additional units are planning such installation this year.

The company said hundreds of persons have requested detailed information concerning installation of electric heating and that specialists will call on all of these people. Construction is especially adaptable to electric heating, it was pointed out. Homes may be electrically heated through cables in the ceiling plaster, with baseboard units or wall heat.

Food Delivery License Arrests by GC Police

Granite City police made two arrests Friday afternoon for failure to purchase 1968-69 city food delivery licenses. Those booked were Edward Stack, St. Louis, a driver for the St. Louis Ice Cream Co., and Bobby Turner, Brentwood, Mo., a driver for the Cardinal Potato Chip Co.

Karl M. Knechtel, East St. Louis, driving a Daniel Hamm Drayage Co. truck, was arrested at 1:15 p.m. Friday at Niedringhaus avenue and Adams street for failing to have an express or drayage license.

According to police the Hicks woman reported at 3:20 p.m. yesterday that Hibbler came to her house, choked her, scratched her neck and then threatened to kill her with a knife.

GC Steel Gets Ok for Own Sanitary Landfill Operation

Granite City Steel Co. has received permission from state and Madison county authorities for the operation of a private sanitary landfill to dispose of solid waste generated by the company's operations, which amounts to approximately 12 tons a day or about 30 truckloads.

Raymond R. Tucker, consultant to Granite City Steel on air pollution matters, said he had reviewed the plans for the sanitary landfill and they will provide the company a practical means of disposing of rubbish without harmful effects to the community.

Tucker said Donald F. Cairns, plant engineer, blast furnace department, "this designed an entirely feasible system of disposing of solid waste materials that eliminates the possibility of creating a public nuisance by the open dumping of a large volume of paper and wood waste."

"The landfill," he said, "represents another important step in Granite City Steel's two-year water pollution control program. While the company has complied with the Illinois Pollution Control Board regulations by not permitting the open burning of trade wastes, the landfill will provide facilities for continued compliance. The landfill is situated on solid ground and will be operated in a manner to avoid the possibility of water contamination."

The sanitary landfill will occupy the major part of a 40-acre tract of Granite City Steel property in Nameoki township south of the company's sinter plant. The land is in a relatively isolated area and is already zoned for industrial use. There is no residential housing in the vicinity.

The landfill area will be fenced to prevent any blowing of waste paper and to provide security. It will not be visible from the road and will be used only for solid waste from Granite City Steel.

The facilities to be used in final grade will be at ground level.

Permits have been received from the Illinois Solid Waste Board, the Sanitation committee of the Madison County Board of Supervisors, and the Madison County Zoning Board.

Granite City Steel is the largest steel producer in the area and manufactures plate, hot and cold rolled sheet, galvanized sheet and other flat rolled steel products for steel users in a 25-state area in the Midwest, south and southwest.

Granite City Steel's sanitary landfill operation represents an allocation of capital resources in excess of \$100,000. The rubbish will be compacted at the sanitary landfill until it occupies an area of no more than 1/10th to 1/12th of its original volume. In accordance with state regulations, each layer of landfill will be covered with six inches of earth. The landfill will begin in an excavation 11 feet deep — well above the ground water table — and the

Write-Ins Are Ok If Voter Is Careful

Voters balloting in tomorrow's primary have a legal right to write in a preference for president, but in doing so may take a chance of defacing and thereby spoiling the ballots, according to an opinion given the Madison county clerk's office today by State Atty. Leon Scroggins. County Clerk Eulalia Hotz said she sought a legal opinion on the write-in question because there are no specific spaces provided on the ballot this year, and because of confusion resulting from an opinion announced several days ago by the county clerk of Sangamon county at Springfield. Scroggins informed Miss Hotz that in his opinion the law gives the voter the right to indicate a presidential preference so long as the "honest intention of the voter is indicated." The state's attorney pointed out, however, that since no presidential candidates are listed on the ballot, any such write-ins would only be an indication of preference and would not be binding upon the delegates to the national nominating convention.

Ballots Damaged In \$15,000 Fire At Home of Judge

From 600 to 800 ballots and voter registration books for tomorrow's primary elections were damaged by smoke in a fire which gutted the Illinois Cleaners building and the residence of Mrs. Helen Presley, 2009 Rock road, at 7:40 a.m. today.

Mrs. Presley, an election judge for Precinct 29, was storing the election materials in her home. The polling place is at 2300 Denver street.

She had left the house this morning and was about a block away when someone shouted that her home was burning.

When firemen arrived, she asked that the ballots and books be removed first. Miss Eulalia Hoiz, county clerk, said the ballots were still usable and were repackaged to be taken to the polling place.

Firemen said the fire was caused by defective wiring. Damage to the building was estimated at \$15,000, but contents was undetermined, as articles owned by customers were not destroyed.

Firemen were at the scene for two hours.

Interest Light in Demo, GOP Committee Elections

The small number of contests for election of precinct committeemen during tomorrow's primary election in the Quad-City area has resulted in little campaign interest in committee elections by either Democratic or Republican voters.

For the most part, incumbent committeemen of both parties will receive no notice of committee posts due to lack of opposition. There are a few contests on the Democratic ticket in the four townships of the Quad-City area. On the Republican side of the ballot there is only one contest in all 34 precincts of the four-township area.

One development in recent weeks attracting some interest was reported in Precinct 32 of Granite City where one of two candidates, William E. Brandt, has moved out of the precinct since filing his nominating papers.

Precinct 32 is Gerald Parmley, Granite City Sixth Ward alderman. Kenneth E. Brandt, incumbent Democratic committeeman, did not file for re-election.

Name on Ballot
Miss Eulalia Hoiz, Madison county clerk, said her office received no notice of Brandt's removal from the precinct and that his name therefore will be included on the printed ballot as a committee-man candidate.

In the event Brandt would oust Parmley, Hoiz said, he would be disqualified from assuming the post and a vacancy would exist. The vacancy would be filled by appointment by the Granite City Democratic Central committee.

There Parmley, Miss Hoiz said, is the only Democratic contest in the 32 precincts of Granite City, four contests in Veneta, three in Nixa, five contests in the seven precincts of Nameoki township and two contests in the four precincts of Chouteau township.

On the Republican side of the ballot, there is only a single contest in the precinct of Chouteau township—in the entire Quad-City area. In 17 of the 34

precincts in the area, the Republicans have no candidates at all. These posts may be filled by voters at the polls, the event no write-in votes are cast, but appointment by the central committees.

Complete listing of candidates seeking election as Democratic precinct committeemen in the Quad-City area on June 11 is as follows:
Granite City—Precinct No. 1, Frank J. Puzarsky, incumbent; No. 2, Frank J. Barunka, incumbent; No. 3, Mrs. Virginia O'Beare, inc.; No. 4, John M. Winklemeyer, inc.; No. 5, William M. Jenkins, inc.; No. 6, Andrew Gasparovic, inc.; and Rufus LeMaster, former alderman; No. 7, Edmond Bartosik, Granite City alderman replacing incumbent Samuel Walker who did not file; No. 8, Alfred E. Frith, inc.; No. 9, Lloyd Bailey, inc.; No. 10, Steve Ortiz, inc.; No. 11, Curtis Van Nida, running in place of Weldon C. Birch, who did not file; No. 12, Cherry C. Hoelstra, incumbent; No. 14, Earl "Fuzzy" Jarrett, inc.; No. 16, William J. Harrison, inc.

SECRETARIES INSTALL. Officers for the ensuing year were installed Thursday evening by the Tri-Cities Chapter, National Secretaries Association (Int.) They are, front row, left to right—Joy Augsburger, vice-president; Bettie Davis, president. Standing—Peggy Moore and Dorothea Will, board members at large; Twila Edmonds, treasurer; and Bernice DeRousse, corresponding secretary. Shirley Schwendemann, recording secretary, was absent when the picture was taken.

Secretaries Install Officers

Newly-elected officers of the Tri-Cities Chapter, National Secretaries Association, were installed by Mrs. Bernice DeRousse, a past president, at a meeting held at the Flaming Pit, Edwardsville, Thursday evening.

The 1968-69 staff includes Mrs. Bettie Davis, president; Mrs. Joy Augsburger, vice-president; Mrs. Bernice DeRousse, corresponding secretary; Mrs. Shirley Schwendemann, recording secretary; and Miss Twila Edmonds, treasurer. Two new members at-large, Mrs. Peggy Moore and Mrs. Dorothea Will were extended congratulations and two new members, Mrs. Cleo Buttry and Miss Dolores Bourisaw, were welcomed. Mrs. Marabeth McConnell was reinstated.

Mrs. Moore, who attended the recent Illinois Division meeting in Springfield together with eight members and two guests, reviewed the meeting, and new committees and chairmen were announced by Mrs. Davis. In addition, the past chairman and officers were asked to turn in their reports to Mrs. Helen Gieszmann, the retiring president, in order that the files for 1967-68 could be closed. Mrs.

BEING WELCOMED BY Mrs. Bettie Davis, (right), president of the National Secretaries Association, Tri-Cities Chapter, are new members, Mrs. Dolores Bourisaw, Mrs. Marabeth McConnell and Mrs. Cleo Buttry.

Gieszmann, who is recovering from surgery, was unable to attend the meeting.

An invitation has been received by Mrs. Davis from Mrs. Evelyn Clay, Illinois Division president, to the annual Presidents' Meeting in Galesburg June 22.

It was announced that the practice of having one hostess and two members on the service committee for each meeting will be discontinued. In the future Mrs. Schwendemann will serve as chapter chaplain and open each meeting with prayer. There will be no special hostesses at the meetings. Instead three people will serve on the service committee and will take care of all reservations and arrangements for the meeting place and dinner menu.

Next month's committee will be Mrs. Dorothy Ashford, Mrs. Joan Hileman and Miss Connie Wallace. The meeting will be held July 11 due to the July Fourth holiday, and Larry Siderer, 1967-68 "Boss of the Year" of the local chapter has invited the group to meet July 11 at his home in Spanish Lake, Mo., when a barbecue will be served. A Hawaiian theme will be used.

Guests at Thursday's meeting included Mrs. Rosemary Jones, secretary to the president, General Steel Industries, St. Louis office; Mrs. Betty Scrum, secretary to the plant accountant, General Steel Industries; Mrs. Gerry Hoover and Mrs. Hilda Simmons, secretaries in the circuit clerk's office at the county courthouse; Mrs. Laura Oliver, National Stockyards Bank; and Mrs. Evelyn Maxwell, Granite City Steel Co.

PAST NOBLE GRANDS MEET AT DAVIS HOME The Past Noble Grand club of the Juanita Rebekah lodge met Thursday night with Mrs. Alta Davis, 2413 Bromley avenue, Mrs. Mabel Clark, assisting. Mrs. Jewel Patterson, president, presided.

Games were enjoyed and refreshments were served to 20 members and four guests, Mrs. Harrigan, Mrs. Lucille Webb, Mrs. Mildred Parker and Mrs. Lulu Fornasewski. Next hostess will be Mrs. Bessie Hickman.

The wedding of Miss Patricia Kathleen Chandrl and Jerry Dale Simmons took place Saturday afternoon at Sacred Heart Catholic Church.

The bride is a daughter of Mr. and Mrs. Joseph J. Chandrl, 2615 Edison avenue. Mr. Simmons' parents are Mr. and Mrs. W. J. Simmons of Tunnell Hill, Ill.

The ceremony was performed at 1:30 by the Rev. Joseph Enright, and the reception was held at the home of the bride.

Music for the wedding was provided by Mrs. Margaret Crowsaw, organist.

The former Miss Chandrl wore an A-line gown of antique ivory pearls de sole with medallion insets of lace at the

neck and hemline. A tiered veil of ivory illusion was attached to a headpiece of petals formed of organza and seed pearls. The cascade bridal bouquet was made up of orchids baby's breath, stephanotis and greenery centered with a gardenia corsage.

Miss Susan Chandrl was maid of honor for her sister, and W. J. Simmons, the bridegroom's brother, was best man. James Horton and Steve Mesjaski jr., an uncle of the bride, served as ushers.

The honor man wore a pink pecca dress with white pecca at the neckline and the hem. A matching bow held in place a short circular noseup veil and she held a nosegay of pink carnations, baby's breath and stephanotis tied with pink and white ribbon.

For her daughter's wedding Mrs. Chandrl chose a misty rose linen dress, while the bridegroom's mother was in a blue knit sheath dress. Both wore matching accessories and gardenia and baby's breath corsages.

The couple will honeymoon at the Lake of the Ozarks and upon their return will live in Carbondale where the bridegroom is attending Southern Illinois University, majoring in mechanical engineering. He is employed by a real estate firm.

Mrs. Simmons attended local schools and Washington University. She is presently a senior student at SIU, Carbondale, and is majoring in elementary education. She has been active on the New Student Week, winter orientation, homecoming, Parents Day and Spring festival steering committees. She has served as past Parents' Day co-chairman, and is on

ILLINOIS REPUBLICANS: PUT YOUR BEST CANDIDATES FORWARD FOR GOVERNOR, ELECT RICHARD B. OGILVIE

We Republicans have a great opportunity—and responsibility—in the June 11th Primary. Our job is to nominate the best Republican candidates. Candidates who have earned their right to high office. Candidates who know how to win and have proved it.

Such a candidate is Richard B. Ogilvie, the man who fought the crime syndicate—and won. The man who fought the Chicago City Hall machine twice—and won. Ogilvie will bring leadership and political independence back to the Governor's office.

As a special federal prosecutor, Ogilvie convicted crime syndicate boss, Tony Accardo, as Cook County Sheriff, he turned a corrupt police department into a first-rate law enforcement agency. As County Board President, he initiated the first comprehensive reforms in over 100 years.

Fellow Republicans, Richard Ogilvie has earned your support. He's the best man—the right man—for a tough job. He's the man who will lead our party to victory in November.

STENTZER CANDIDATE AGAINST CITY MACHINE

To the Editor:

Voters of the Ninth Precinct in Madison will have the opportunity to vote Tuesday for my husband, George Stentzer, who is running for precinct committeeman.

He did not make his decision to run lightly. He knew it meant backing the "machine," and anyone who knows Madison knows that it's like David fighting Goliath.

Like most wives, I didn't want him to get involved. I wanted him to forget it, because most people weren't really interested in who ran in our precinct, even though they complain about the machine's policies, the broken down bottles in our streets, the beer cans in the yards, and the cars in front of their homes until 4 a.m. in the morning.

This is our community, our city. If we don't care or are full of apathy, who will care? Well, we found that some people are interested. They are going to work for George. They have the backbone and the gumption to stand up against intimidation. Believe me, people can be and are being intimidated in our city.

If you work for the city, you had better support their candidate or else you may be out of a job. You had better support city candidates' sticker on your car; we saw this in the school election.

They say you can't fight city hall. Well, there are still city people in this town who are fighting it. We do have voters who will vote for George.

He may not win, but at least we know he cares enough about his town to try. He is only interested in one job; he doesn't have his fingers in every pie. He believes in doing his part for his precinct.

May not be an experienced candidate, but he has the experience you need to listen to your people or to talk to people, not at them. He's a "go" man, not a "yes" man to the machine.

All of us in this precinct have a choice. Do we want to let politics to continue? Or are we ready to be represented by someone whose interests are only here?

You have heard the old saying, "Let George do it."—Well, "Let George do it," says vote June 11 for George Stentzer.

'PROGRESS' ELIMINATING TOO MANY PLAYGROUNDS

To the Editor:

I am presently a member of the armed forces and have been for the last 14 years.

Recently I have had the good fortune of being stationed in St. Louis, so naturally, Granite City being my home town, I seek up residence.

I have been following a series of letters in your Forum column concerning a playground in my old neighborhood, Lincoln Place.

Seems that this has been going on since way back when, at least ever since I can remember.

We all realize that some things are unavoidable for the sake of progress, but depriving this neighborhood of a playground for all these years is carrying a little bit too far especially when the tract of land has been improved to the extent where it wouldn't take much more work for completion.

As a youth I remember when we used to go out to any empty field with hoes, shovels, wheelbarrows and whatever else we could use to scratch out a diamond to play baseball on, but always with the results Progress took the field.

I'm sure some of you can remember the district playground used to be on West 20th and Olive Street. Well, they have some nice homes on that field now.

How many of us can remember the diamond where the main gate of the Depot stand now? What about the diamond that now is the River Road highway?

There was a lot of work put into these diamonds, believe me.

These were community projects, projects of love and responsibility to our children and to our neighborhood.

What has happened to this spirit that is so much American?

Well, I'm happy to say it is not completely dead. The Mexican Honorary Commission of Granite City has undertaken to improve a tract of land donated by the American Steel Foundries toward a playground for this community, but the program now seems to be at a complete standstill. Why?

We have the largest national vote Tuesday, I hope they re-

gram has been going for the last two years and, during this period, thousands of dollars of equipment was donated freely toward completion of this playground by various contractors and industries of this city, not to mention many hours of free labor donated by their employees.

Also, take into consideration the many hours put in by the families of this community.

Can you imagine a labor team of father, mother, son and daughter clearing a slag field? Well, it's a fact. All anybody has to do is to come and see.

That slag field is now cleared and new ground has been donated, dumped and leveled off. Has all this work gone for naught?

Has progress once again taken from our children? Don't our children fit into the scheme of progress?

The industry showed good faith and responsibility toward this community when it donated this tract of ground for the development of a playground.

As I don't understand the why and wherefore for the stopping of this project, I plead with the responsible representatives of the city and the people involved to meet so that this playground may become a reality to the children of this community.

LOCAL SOLDIER ABLES IN PRECINCT 25

To the Editor:

Soon R. D. Ables will be up for re-election for Democratic precinct committeeman of the 25th Precinct. Local 7483 will be out wholeheartedly in his support and here are some of the reasons why.

He has made it necessary that we strike Union Starch & Refinery Co. At once Mr. Ables contacted us and we went to work where we could set up our strike headquarters next to Union Starch.

He has made various contacts with a number of politicians to try and get what support he could. The result of this meant jobs for some of the striking employees and also helped us gain financial support from some organizations.

He was constantly by our side. He was able to give us moral support when the company filed charges against us. He was constantly on the move, supporting our strike. It is possible for us to list all of the things he did.

Some of you might wonder why he went so far out of his way to help us when he probably has only about 10 families in his precinct working at Union Starch. We would like to give you our opinion. To give us a very sincere feeling of obligation toward anyone in time of need.

For years he worked diligently for Walter Nonn and we understand that Nonn is going to use his political strength in this precinct to get his job. We wonder why.

It is his duty. He is not the "yes man" or could it possibly be that his opponent is related to Nonn?

Those who belong to a union and believe in unions, it might interest you to know we have contacted Mr. Lester Lasberry, president of the union where Nonn works, and we find that he does not belong to it; please don't let this man tell you how to vote.

We are urging you to go to the polls and re-elect Mr. Ables local precinct committeeman. There will be no more deserting.

POLITICAL BOSS RULE OPPOSED IN MADISON

To the Editor:

On June 11, voters in Madison Precinct Nine will have a chance to vote and elect a new committeeman.

George I. Stentzer is a young man with new ideas and a forward-looking attitude in the community. He wants to represent the people as a free-thinking individual and official.

He doesn't believe in "boss rule." He believes a committeeman should ask the people, not tell them what they want.

The days of "political bosses" won't soon come to an end. If candidates like Stentzer are elected. Isn't it time the voters were respected as individuals rather than as a mass to be led to an end for some ward boss?

I'm sure the voters of Precinct Nine are tired of being told what to do. When they vote Tuesday, I hope they re-

Study the Candidates and Vote In Primary Election Tomorrow

Quad-City voters tomorrow have two principal obligations: to be sure to vote in the primary election, and to be as well informed as possible when they go to their polling place.

Democrats will decide between rivals for 13 Madison county, district and party offices. Nine of these will either be elected or assured of election; winners of the other four nominations under contention (levee trustees, state's attorney and coroner) will be opposed by Republicans in the November general election.

Republicans have no county, district or party competition on tomorrow's ballot, but must choose between contenders for five state-wide nominations. Wise selections will be important, because members of both parties believe the GOP has a better-than-average chance this year of regaining some of the state offices lost to Democrats during the 1960s.

Our suggestions are given below, but many of the selections were difficult because the candidates had nearly equal qualifications. Along with our comments here, we urge readers to study biographical information on the various aspirants to aid them in reaching a decision.

Democratic primary election:

NATIONAL CONVENTION DELEGATES—Dick H. Mudge Jr. and John E. Lee.
ALTERNATE CONVENTION DELEGATES—Jerry Lamar and Dick Allen.

STATE REPRESENTATIVES—The two top vote-getters in the 1966 election, the two assured of election, since only one Republican is being nominated and three positions are to be filled.

Our inclination is to vote for the incumbent, Leland J. Kennedy of Alton, and Horace L. Calvo of Granite City.

Certainly, with Rep. Lloyd "Curly" Harris retiring, the Quad-Cities will need representation in the General Assembly. The five local residents on the ballot include three whose extensive service in governmental posts qualifies them for serious consideration by all 55th District Democratic voters—Calvo, Terry W. Francis and Harry A. Briggs.

REPRESENTATIVE COMMITTEEMEN—Edward D. Voumard, Ralph L. Elliott and Jim Lavelle.

LEVEE DISTRICT TRUSTEES—For the first time, Quad-Cityans have the sole voice in

the world but we cannot console us with the cost of property destruction, to pay the bill to meet the desires of all minority groups and to subsidize the present economic under-clarations.

We have nearly 28 million people in the United States and the U.S. who helped build this great nation. What about them and the 15 million who are merely existing?

It is long since time for a change. Let's move the state capital back to Springfield.

John Henry Altorf of Peoria is the man. I have personally known him since he was a mere boy, when his father was a manufacturer of washing machines and always will try to help him.

determining who will represent them on the East Side Levee & Sanitary District board, due to the division of voting districts along the county line. William M. Ebersole of Vienna and Joseph A. Grant of Granite City deserve to be renominated on the basis of their records on the levee board and in other public offices.

STATE'S ATTORNEY—Our preference for the Democratic nomination is county prosecutor, the incumbent, Leon G. Scroggins of Granite City, who during the past year and a half has reduced the backlog of cases and established greater liaison with law enforcement officers.

CORONER—Leonard R. Davis of Granite City, in his year in the office has been one of the most active and conscientious coroners in our memory.

Republican primary election:

UNITED STATES SENATOR—Everett McKelvey, Dutton, minority leader of the Senate, should be renominated by a wide margin.

GOVERNOR—Richard B. Ogilvie combines popularity among Cook county voters with the ability and desire to bring new leadership to Illinois state government.

He has taken sound stands on downstate highway improvements, law enforcement, education, hard-core jobs, parole procedures and Horseshoe Lake park development.

Ogilvie's campaign manager is Speaker of the House Ralph Smith, a native Granite Cityan who represents this district in the state legislature. Their efforts can be of great value in focusing state attention on meeting the needs of this region.

SECRETARY OF STATE—Our preference is Donald D. Carpenter of East Moline.

AUDITOR OF PUBLIC ACCOUNTS—Despite the possibility of the state ticket being somewhat imbalanced in favor of northern Illinois, State Senator Terrell E. Clarke of Western Springs has impressive credentials, including service as chairman of the "Little Hoover" Commission on State Government, co-chairman of the constitutional study commission, House revenue chairman, Senate revenue vice-chairman and member of legislative audit and election laws study groups. He has prepared detailed proposals for better state fiscal management.

SUPREME COURT CLERK—Justin Taft of Rochester.

No Sorrow Over Exclusion From Proposed Junior College District

We foresee no widespread objection to the streamlining of the bulky Lewis and Clark junior college district proposal, even though elimination of the Quad-City, Collinsville and Highland areas was done on the basis of inaccurate reasoning.

It was assumed that the district plan defeated in 1967 lost heavily in the eliminated sections and carried elsewhere. Actually, it trailed in most areas, and approval in the scheduled Dec. 5 balloting remains far from certain.

Quad-Cityans are not saddened at being excluded because of the extremely unfavorable cost-benefit ratio and because of the apparent intention to provide duplicate facilities and services at duplicate costs. Many other points could be mentioned, but these two illustrate the lack of sound planning.

There seems likely to be ample time to follow any of several other alternatives here, including the one that appears to be best for the present—no action to establish a junior college.

City Steel, filed for the office of Democratic precinct committeeman for that precinct. He worked diligently during the campaign and his determined effort became a matter of grave concern to his incumbent opponent.

His stated purpose was to carry his campaign personally. He was a registered voter in the precinct. He spent many hours during the pre-election filing period seeking out unregistered residents and helping to bring their registration up to date.

He is a registered voter, however, less than 30 days prior to the election. Baker was injured in an industrial accident at Granite City Steel Co. He was hospitalized with serious burns over 80% of his body. He will remain in Barnes Hospital until well after the election.

For many this would be the end of a campaign. Not so with Earl Baker.

Despite the burns, medicine and painful treatment, Earl carries on his campaign from a hospital bed.

He keeps in close contact with his supporters by phone. He has made efforts to win half of his chosen candidate for state representative, Mr. Calvo.

He knows that a letter or handwritten note is not sufficient for personal contact, but he is confident that the voters will realize his situation.

I feel that this display of sheer political guts should reap its own reward. Courage of this type could well be put to use in behalf of the Democrats of the Third Precinct.

When I told Earl that I felt compelled to make a statement in his behalf, I asked if he had any message for the voters. He had only one.

"Tell them, when they enter that booth, to take a good look around. There's no one in there but themselves."

Good advice, I am sure, for us all.

Plight of Small Illinois Cities Reflected in Their Governments

(University of Illinois Student Reporting Project)

Pope county, one of the southernmost counties in Illinois, is known for its scenery, Dear Festival and serious financial problems.

The federal government holds 80,000 acres or about one-third of the county's land in the Shawnee National Forest.

Last year, the county received \$10,000 from the government sale of timber. This amounts to eight cents an acre. According to County Clerk Mike Baker, the land would yield at least a dollar and a half an acre if it were taxable.

"Baker said, 'Our county is noted for its deficit spending, but we can't collect enough taxes to operate on a sound basis.'"

"Shawnee National Forest increases the tax load on everybody else, and the government is buying more land each year. The money has to come from somewhere."

Pope county residents pay \$4 in taxes on each \$100 assessed evaluation. The average for the rural population is \$3.50 per \$100.

Baker said the county is levying the maximum on all funds and is still coming up short.

County residents on the other hand pay much less per \$100 assessment and operate on the black with a \$142,599.47 budget. This is made possible through federal funds—funds needed but not received by Pope county.

The federal money Pope county receives from timber sales must be allotted equally to roads and schools. The county received permission from the state legislature for bonds valued at \$28,000 and \$14,000 in 1962 and 1964.

Baker says they are deeply in debt again, however, and he doesn't know where the money will come from, since the case in 1962 and 1964, for southern counties to get a bond issue through the legislature.

The Illinois legislature and the archaic constitution under which it operates cause further problems for Pope county.

The county, organized under the commission form of government, must hold an election each year at a cost of from \$3000 to \$4000. This places more strain on the county's crippled economy and, as Baker points out, "It just isn't logical."

Both federal authorities point to tourism as the answer to the county's problems. Baker argues, "We think this can be done in 15 or 20 years, but we want to know what to do right now."

The biggest tourist attraction in Pope county is the November Dear Festival in Dear, where the county gets \$6000 from the county, said James Lowery, treasurer of the city of fewer than 900 people.

The city doesn't have a deficit after the festival.

He kept in close contact with his supporters by phone. He has made efforts to win half of his chosen candidate for state representative, Mr. Calvo.

He knows that a letter or handwritten note is not sufficient for personal contact, but he is confident that the voters will realize his situation.

I feel that this display of sheer political guts should reap its own reward. Courage of this type could well be put to use in behalf of the Democrats of the Third Precinct.

Hordesky-Fisher Wedding Takes Place at Highland

Arrangements of white mums, pink carnations and ferns provided the setting Saturday morning for the wedding at St. Paul Catholic Church, Highland, of Miss Rosemarie M. Fisher, a daughter of Mr. and Mrs. William Fisher, 1409 Paradise drive, Highland, and Daniel J. Hordesky, whose parents, Mr. and Mrs. John Hordesky, reside at 2917 Wayne avenue.

Monsignor William B. Whalen officiated at the 11 a.m. double-ring ceremony which was followed by a dinner and reception in the church hall. Music was furnished by the men's choir.

The bride was given in marriage by her father. She wore a pure silk crepe sheath gown fashioned with a high neckline. The bodice and short sleeves were Chantilly lace interwoven with seed pearls and sequins. A detachable chapel train was accented with matching lace motifs, and the elbow length bouffant veil was of pure silk illusion. She carried a cascade of white roses with Stephanotis centered with a white rose corsage.

Miss Carol A. Fisher, a sister of the bride, was maid of honor, and Mrs. Barbara White Farroh, was bridesmaid. They were attired alike in floor-length princess gowns with high necklines and elbow-length sleeves. The narrow trains were accented with tiny bows. Matching bouffant veils were secured to clusters of pink roses and the attendants carried baskets of pink roses and white pom poms with greenery.

Attending the groom as best man was his brother-in-law, Dennis Malone. Larry Worthan served as groomsmen. Kenneth Carlin and David Hordesky, the latter a brother of the groom, seated the guests.

For her daughter's wedding Mrs. Fisher selected a powder blue silk sheath dress with matching Chantilly lace coat ensemble and blue accessories. The bridegroom's mother chose a lime textured silk tunic coat and dress ensemble with Venice lace trim. Her accessories were in shades of turquoise. Both wore orchid corsages.

Miss Mary Lou Fisher, the bride's sister, and Miss Vicki White presided over the guest book, while Miss Frances Fisher, another sister of the bride, and Mrs. Dennis Malone, the groom's sister, assisted at the reception.

AN OPEN LETTER TO THE VOTERS IN THE

55th REPRESENTATIVE DIST.

I am a Democratic candidate for State Representative in the 55th District. There are a large number of candidates seeking this office and only two will be elected.

I need your vote and I earnestly solicit your support.

I am a practicing attorney in Granite City and have mostly represented working people in my law practice. I represent the members of United Steelworkers of America with their Workmen's Compensation claims and therefore have first-hand knowledge of the problems confronting working people.

You are entitled to know the views of your candidates. Below are listed my views on some of the important issues we face today.

1. I feel the hiring of strike-breakers during a labor dispute is immoral and cities should be allowed to pass ordinances preventing companies from hiring strikebreakers. I would also favor a State Law prohibiting companies from importing strikebreakers during a labor dispute.

2. I am opposed to any restrictions on Union members' right to strike.

3. I favor improving the Workmen's Compensation and Unemployment Compensation Laws to provide broader coverage and increased benefits to workers.

4. I will vote against any so-called "Right to Work Laws" or other legislation detrimental to working people.

5. I favor a minimum wage in Illinois comparable to the Federal minimum wage.

6. I am in favor of repealing the present unfair gun registration law.

7. I pledge to all the voters in the 55th District that I will work diligently, if elected, to represent you with all the vigor and honesty that I possess.

I hope you will give me a chance to represent you in the Illinois legislature by voting for HORACE CALVO on Tuesday, June 11th.

4-Week Music Workshop Scheduled at SIU-SW

A four-week workshop on musical learning in music will be held at Southern Illinois University's Southern campus June 17 through July 12, offering four to six quarter hours of credit in music on the senior level.

An opportunity for study through experiences with and discussion of the approaches to music of Carl Orff, Zoltan Kodaly, Emile Jacques-Dalcroze and Shinichi Suzuki, the workshop is being sponsored by the music faculty of SIU-SW's Fine Arts Division in cooperation with the University Extension Services.

During the first week, June 17-21, Hilda M. Schuster, director of the Dalcroze School of Music, New York City, will be the clinician in the study of eurhythmics. This is, in interpreting in bodily movements the rhythm of musical composition, was invented by the Swiss composer, Jacques-Dalcroze, to develop the sense of rhythm and symmetry.

Francis Blames Madison Machine for Bad Dump

Terry W. Francis, candidate for the Democratic nomination for state representative, charged that the Madison political machine is responsible for "outrageous" conditions at the Chouteau Island landfill and also promised an investigation of telephone rates in the county if elected.

Francis said the Chouteau Island site is unsuitable as a dump because of health and water factors.

He charged that the state police and the state's attorney have failed to enforce state laws concerning the dump and that the Madison machine has forced competitive dump operators out of business.

Francis claimed that telephone rates within Madison county are the highest in the area and have the effect of stifling communications between various sections of the county.

LOCAL 7-663 OCAW INDORSES FRANCIS

When Union Storch was on strike, two attorneys offered free legal help to workers who had credit problems caused by the strike—one of them is a candidate for the State Legislature. That is Terry Francis. One attorney contributed generously to our strike fund; that was Terry Francis. He also gave free legal advice to the union during the strike. We know of instances where he also helped other workers when they were on strike. He is running on a positive program to help working people, including revising the workmen's compensation laws. We need him in the legislature.
